## CARE AND PRECAUTIONS

To ensure that your table top wet grinder performs to its maximum for the years to come, please follow the precautions:

- Always keep the wet grinder clean and dry when not in use.
- Disconnect the electric cord from the switch when not in operation.
- Keep it away from heat sources.
- Lift the appliance holding it only from the base, not the drum or motor cover.
- Do not run the wet grinder when empty for more than a minute.
- Add adequate water while grinding.
- Do not attempt to lift the appliance when in operation.
- Use a damp sponge for cleaning the body, do not pour water on the appliance.
- Do not insert any object through the slits provided.
- After use, clean the drum and roller assembly thoroughly.
- Supervise closely when the appliance is being operated in the presence of children.
- Do not run the grinder if the operating conditions are not normal. In case of any mechanical faults, contact your nearest dealer.
